CUSTOM LIGHTING PRODUCTS

www.louisvillelamp.com

- LED Panels
- Fluorescent applications
- Halogen
- Puck & track lighting
- Integrated metal & custom lighting assemblies.
- In-house Metal Fabrication
- In-house powder coating
- Locations in Taiwan and China

MOLDED, EXTRUDED & FABRICATED PLASTICS

www.genplas.com

- ISO-9001 & 14000 certified
- Pressure Forming (6' x 10')
- CNC & robotic Routing
- Plastic Fabrication & heat bending
- E kanban services
- Processing of Engineering & commodity grade materials
- Dedicated Assembly area

www.horizonmfggroup.com

- Rotational Molding
- Foaming
- Double walled molding
- Metal fab tooling
- Part size up to 105"
- Assembly

www.wiplastic.com

- Co-extrusions
- Difficult Higher Volume Applications
- Meta-Plastic process: combination of roll forming and profile extrusion
- Engineering design & assistance
- Sizes to 24" Wide
- Materials include most commodities and engineering grade resins
- Lighting, ag, retail, telecom, appliance

www.moldedparts.com

- Blow Molding
- Assembly and value add
- 10 Blow molding presses
- Shot sizes to 40 pounds
- Processed materials include ABS, Acetal, Polycarbonate, Polyurethane and Polyethylene.

www.moldedparts.com

- Urethane Molding
- Custom Machining
- ISO 9001:2008
- Full product design and development
- Bonding
- Full in-house mold-making capabilities

PROTOTYPING

www.midwestproto.com

- SLA—multiple resins available
- SLS prototypes
- Cast urethanes
- Fabrication & Machining
- 24 hour/7day per week production

CUSTOM WIRE HARNESS & ELECTRO-MECHANICAL ASSEMBLIES

www.midwestproto.com

- Custom Foot Pedal Assemblies
- Electronic Sensor Applications
- Mechanical Assembly
- Custom Electronic Displays
- Markets include: utility vehicle applications, Carts, & multi use vehicles

www.fosterelec.com

- Custom wire harness and enclosure assembly
- Low volume/prototype up to large volume and main harness capability
- 100% electrical testing
- Agricultural, display, industrial controls, and construction markets served
- Automatic wire processing and semi-automatic wire termination
- Design and concept development assistance

ASSEMBLY AND KITTING

www.rockfordproductionservices.com

- Component sorting & re-packaging
- Display assembly & kitting
- Polybagging of multiple components
- Markets include: Fastener Distribution, POP/Display, Consumer Products
